Recipient Signature ..... or left in Premises by Signatory: .....

Date: .....

Please note this Notice may be sent to the HSA if deemed necessary.

CUSTOMER INFORMATION

This Emergency Works Notice is issued in the interests of safety of persons, property and lifestock (if applicable). It has been issued by a Safe Electric inspector as he/she has encountered and/or been presented with direct evidence that the electrical installation gives rise to an immediate and serious threat to health and safety.

Note the following:

- **The installation or part thereof has been de-energised in the interests of health and safety and has been sealed with a safety warning tag on the isolating device to prevent accidental re-energisation of the installation or part thereof and, the Safe Electric Inspector is authorised to do so.**
- **You should contact a Registered Electrical Contractor as soon as possible in order to ensure that the necessary remedial actions are undertaken;**
- **The installation or part thereof should not be re-energised until such time as remedial works have been carried out by a REC;**
- **To re-energise the installation or part thereof against the advice listed above may result in injury or death.**
- **The DSO is to be immediately notified of the details pertaining to the present situation.**

SAFE ELECTRIC Contact Details: Address: Unit 9, KCR Industrial Estate, Ravensdale Park, Kimmage, Dublin 12

Disclaimer

This Notice of Emergency Work is based on the findings of a partly visual inspection and partly random sample tests (where deemed appropriate) of the electrical works. It does not take account of any wiring concealed or inaccessible.

No liability can be attached to the CER or Safe Electric arising from the conduct of any such inspection, testing or contents of this Notice.
